Education

Indian Institute of Technology (ISM) Dhanbad

Bachelor of Technology in Mining Engineering (GPA: 7.60/ 10.00)

Expected May 2027

Dhanbad, Jharkhand

- **Relevant Coursework:** Object Oriented Programming(OOPs) , Data Structures and Algorithms(DSA)

Young Scholar Academy

2022-2023

Central Board of Secondary Education- Class 12th PCM (Percentage: 89)

Shikohabad, Uttar Pradesh

Gyan Deep Public School

2020-2021

Central board of Secondary Education- Class 10th (Percentage: 96.6)

Shikohabad, Uttar Pradesh

Projects

Help Horizon | HTML, CSS, Javascript, Redux, ReactJs, NodeJs, ExpressJs, MongoDB

[Code]

- **Developed a comprehensive platform for charity organizations** to highlight key initiatives and fundraising events.
- Implemented a user engagement strategy incorporating **interactive components** like **likes, comments and ratings** to improve community interactivity and user satisfaction.

Health Assist – Chatbot for Diagnosing Medical Conditions | MERN stack, ChatGPT SDK API

[Code]

- Engineered a chatbot to diagnose medical conditions by **integrating an AI model** that provides symptom-based suggestions and alternative options based on user feedback.
- **Crafted an intuitive UI** with a feedback mechanism to collect user data, continuously refining the user experience.

CreativeCanvas App | HTML, CSS, JavaScript

[Code]

- Developed a web-based drawing application with an **interactive canvas**, enabling users to create and save drawings.
- Enabled users to **save their drawings** as image files using JavaScript.

Technical Skills

Languages: C, C++, JavaScript, HTML, CSS

Technologies: Bootstrap, Tailwind, React.js, Express.js, MongoDB, Node.js, Postman, Firebase, GitHub

Core Skills: Object-Oriented Programming (OOPs), Data Structures and Algorithms(DSA)

Soft Skills: Leadership, Event Management, Communication, Problem Solving, Adaptability, Critical Thinking, Writing Clean and Efficient Code

Programming Profiles: Codeforces 220+ problems, CodeChef 70+ problems, LeetCode 150+ problems

Achievements

- Among the top 50 participants in the Hackfest'24(organised by IIT(ISM) Dhanbad). | [Certificate](#)
- Achieved a peak rating of 1027 on Codeforces, demonstrating advanced problem-solving skills and ranking
- Achieved a global rank of 492 in Codechef Starters 156.

Social Engagements

- **Club Member:** Web Development division of team Mailer daemon- Student run media body of IIT Dhanbad .
- **Coordinated:** educational workshops for 50+ underprivileged children at KARTAVYA, an NGO run by IIT Dhanbad
- **Sports-Engagements:** Badminton , chess , cricket .
- **Managed and Coordinates:** numerous trips for the college society .
